- * Only a person 18 years of age or older or a person's legal representative can authorize release of mental health information.
- ** Only the subject can authorize release of substance abuse information unless the subject is of such age and mental maturity that they are unable to authorize release.

Notice to Recipients of Mental Health Information

In accordance with "Disclosure of Mental Health and Psychological Information" (lowa Code, Chapter 228), a recipient of mental health information may further disclose this information only with the written authorization of the subject or the subject's legal representative or as otherwise provided in Chapters 228 and 229. Unauthorized disclosure is unlawful and civil damages and criminal penalties may apply. Federal confidentiality rules (42 CFR Part 2) restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

Notice to Recipients of Substance Abuse Information

This information has been disclosed from records whose confidentiality is protected by federal law. Iowa Code, Chapter 125 and federal regulations (42 CFR, Part 2) prohibit any further disclosure without the specific written authorization of the person to whom the information pertains, or as otherwise permitted by such statute and regulations. A general authorization for the release of medical or other information is not sufficient for this purpose. Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

Notice to Recipients of HIV-Related Testing Information

This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of the information without specific written consent of the person to whom it pertains, or as otherwise permitted by law. A general authorization for the release of medical or other information is not sufficient for this purpose. (Iowa Code Section 141A.9) Federal confidentiality rules (42 CFR, Part 2) restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.
